fr HxDir-Compt; subject: Personnel
Development Program

1. With the institution of the Personnel Development Program and the Annual Personnel Plan, I believe we have made a significant start toward achieving a more uniform and more orderly approach to the management and development of our personnel assets.

2. With regard to the Personnel Development Program, it is my intention, as I noted in my 3 January 1973 memorandum, to review with each Deputy Director his particular PDP submission on an annual basis. I would like to start on this process. I intend to use the Office of Personnel as my supporting staff in assisting me in this review. It is, therefore, now appropriate for the Directorates to prepare a presentation of their Personnel Development Programs with the Director of Personnel. A schedule for the reviews will follow.
